36" Round Marine Grade Polymer Raleigh Dining Table with Aluminum Frame

Product SKU: RPKD3628

Description

Get the look of wood with the quality of Marine-grade Polymer with the 36" Raleigh Dining Table! Looks great on patios or in dining halls of resorts, clubhouses, and retirement communities. The MGP tabletop features a wood grain texture that is popular among many restaurants and hotels for its rustic design that goes with many styles. On top of looking great, MGP is specially designed to resist moisture buildup and prevent mold, rot, and swelling from occurring. The aluminum frame is powder-coated to protect against rust and comes in a wide selection of colors that match any color scheme. Whether by the beach or in the city, the Raleigh Dining Table adds an element of style and class to the dining experience.
